

Bartman Meets The Blazer

By: Chris Dominowski

Author's note: You already know who Bartman, Lisa the conjuror, and maggena are, but I added an entirely new character to the team: The Blazer. He has complete control over fire and heat. Signature weapon: Peacemaker: able to shoot an enormous ball of flame at lightning speed. [also, LTC means Lisa the conjuror.]

CHAPTER ONE, PART ONE: THE MEETING

[A dark night, Bartman, Lisa the conjuror, and Mageena are patrolling Springfield. There is only one bright light, a big, red, glowing star. The gang is swinging on Bartman's rope.]

BARTMAN: Well, Lis, I'd say we did pretty well tonight. We nabbed Snake for armed robbery at the Quick-E-Mart, caught Fat Tony in his counterfeit action figure scam, and helped Chief Wiggam reach his TV remote from his couch!

LTC: I agree, it was a good night. I just can't wait to get home!

Mageena: "Suck-Suck!"

[The red star gets closer.]

LTC: I heard that a new villan just appeared in Shelbyville; he's named The Chameleon, and he might come to Springfield soon.

Bartman: Cool, then we can bust e'm up!

[The red star finally crashes right in front of them! They are on the ground now.]

Bartman: What the hell?

LTC: There's something coming out of it!

[The Blazer rises out of the fallen star, and jumps out.]

Blazer: Hello, who are you?

Bartman: Uh, I'm Bartman, This is Lisa the conjuror, and Maggena.

Maggena:[nervously, and hiding behind LTC's leg,]
"sucksucksucksucksucksucksucksucksucksucksucksucksucksuck!"

LTC: Now our question, who, or what, are you?

Blazer: Me? Why, I'm The Blazer. By your costumes, I'd assume that you're superheroes!

Bartman: Well not technically, no. But... hey stop trailing off the subject!

Blazer: Alright, I am the Blazer, I am a superhero. I have power over fire and heat.

LCT: [Interrupting] That's a total lie! No one can have REAL superpowers! They're just a myth!

Blazer: You sure about that?[Blazer snaps fingers to make a small flame appear, as to make a point.]

Bartman, LTC: [Gasp!]

LTC: How did you do that?!

Blazer: Need I say more? Now, back to who I am. I heard that a villain called the Chameleon was nearing Springfield, correct? No, seriously, I accidentally came to three other towns before this one! Scared the crap out of everyone!

Bartman: Well, it's true, he's coming.

Blazer: Perfect. I've been hunting him my entire life.

Bartman: Why?

Blazer: It's a long story. It starts out the day I was born. [Flashback, showing scenes, in brownish shades] My parents were feeling happier than they've ever felt before. Then, after about a year or so, the chameleon attacked! He took from me everything. Everything I knew and loved. He also killed my entire family and all of my friends that day. I had to live my entire life on the streets. Up until I was eight years old, when it happened. I couldn't take it anymore, so I jumped into the heart of an open volcano! Strangely, when I did so, I didn't die the flames mutated me, and I was able to control them!

LTC: I wonder why that was?

[Cut to top of volcano, with Burns and Smithers.]

Burns: Quickly, Waylon! The police are coming! Help me dump as much nuclear waste as possible!

[Cut back to Bartman, and the rest]

Blazer: Stop Interrupting me! Anyway, afterwards, I reemerged from the volcano, and I remembered who caused me all the pain. The Chameleon. I swore an eternal grudge against him, and all who even help him.

LTC: That's a very sad story.

Blazer: Another reason I came here was because I need someone to help me kill him.

Bartman: You mean us?

Blazer: Precisely. So, will you join?

Bartman, LTC: Of course!

Blazer: Great. Meet me here at 7:00 P. M tomorrow night, and we will infiltrate the Chameleon's fortress. Got it?

Bartman, LTC: Yes.

Mageena: "Suck-Suck!"

[Bartman and LTC leave, swinging on rope.]

LTC: You really think we should do this with him?

Bartman: Sure, why not? It will help him a lot.

LTC: Well, then, we will have to get a bunch of stuff ready to protect ourselves, like your utility belt.

[They Finally get home, and get their costumes off, and get into bed Marge comes in soon afterwards, ready to say goodnight to Lisa, then Bart, then Maggie]

Marge: Goodnight, Lisa. Sweet dreams!

Lisa: Goodnight, Mom.

[Goes into Bart's room.]

Marge: Goodnight, Bart. I Love You!

Bart: Thanks, Mom.

[Goes into Maggie's Room]

Marge: Goodnight, Maggie. Nighty-Night!

[Goes into Her and Homer's room.]

Homer: Marge! You won't believe what happened at work today! The donut delivery guy accidentally tripled the order of donuts! And For some strange reason, Mr. Burns was out that day, so I ate the entire time!

Marge: That's nice, Homer. [Sighs] Aren't our kids great? Sometimes they can be a burden, but nevertheless, we love them. And another... HOMER!

[Shows Homer still eating donuts in bed that he got from work]

Homer: What? I was hungry.

CHAPTER ONE, PART TWO: THE MISSION

THE NEXT NIGHT

[Shows Bartman, LTC, and Mageena waiting in alley for Blazer.]

Bartman: Well, where is he? I'm getting impatient!

LTC: Get a grip, Bart. He will be here soon.

Blazer: [From top of nearby building] Hi, didja miss me? [Jumps down to Bartman, LTC, and Mageena.] Are you ready for the mission?

[All nod yes]

Blazer: Good. I know precisely where his main base is, and I can take you there.

[Blazer snaps fingers, and fire appears under everybody's feet, propelling them into the air like a jetpack.]

Bartman: Whoa, that was cool, man!

Blazer: Follow me.

[They all fly into the air]

Bartman: This is SO cool! Hey, Blazer, there's a question that I've been wanting to ask you. Who is this Chameleon guy, anyway?

Blazer: He's an infamous supervillan, what else?

LTC: I'm sure what my brother means is, what does he do?

Blazer: Basically, he can turn invisible, and has got a LOT of lasers.

Bartman: Eh, we can take him down!

Blazer: Yes but... Hey, we're already here!

[They stop at a large mountain with a huge metal building at the top]

LTC: [Solemnly] There's no turning back now.

CHAPTER ONE, PART THREE: INFILTRATION

Blazer: There it is, the Chameleon Fortress.

Bartman: It's so big!

LTC: Yeah, How are we gonna get in?

Mageena: "Suck-Suck-Suck!"

Blazer: Before we worry about that, I want to give all of you something.

[Takes three large weapons out of his sack.]

LTC: I was wondering why you were carrying that around tonight.

Blazer: The first one is for Bartman.

[Takes a large cannon-like object]

Blazer: Now this baby's one of my favorites. The Peacemaker.

Bartman: Awesome!

Blazer: Try shooting it.

[Bartman shoots gun, colossal pillar of flame erupts from it.]

Bartman: This thing rocks!

[Blazer hands him bottle.]

Blazer: That's the reload fluid. Now something for Lisa.

[Takes out machine-gun like weapon.]

LTC: Wow, What's this?

Blazer: It's a little thing I like to call: The Ashkicker! Go ahead, take a shot!

[LTC fires gun into air, one shot makes gigantic fireworks display.]

LTC: Remarkable! [Sly smirk comes across her face] Heh-heh!

Blazer: And, for little Mageena, I have these things called "laser gloves."

LTC: What's a laser glove?

Blazer: It's a glove with the outside coated with a laser substance. It can also re-form into other laser weapons.

Mageena: "Suck-Suck!"

Blazer: Now, the, matter of getting into the castle.

[They walk up to an unguarded fortress wall.]

Blazer: Mageena can cut through the wall with her laser glove.

[Blazer picks up Mageena, and guides her hand so it can cut through the wall. Eventually, a circle is cut big enough to enter. They all enter into a large metal room.]

Bartman: I'll bet there's an echo in here!

[Loudly] YO!

Blazer: SHUT UP! [Clasps hand around Bartman's mouth]
Dou you want to get us all killed?! Now, Listen, this place is armed to the teeth with security, so we will have to be very, VERY carefully.

Guard1: [From a distance] I thought I heard something in sector 3. Let's go.

LTC: No, wait. [Chocks ashkicker's bullet magazine] Let's take e'm down.

Bartman: What are you doing, Lis?

LTC: I want to see this thing in action one more time.

[Guards 1&2 enter]

Guards: There they are!

LTC: Taste This!

[Shoots rapid stream of bullets across room, kills both guards instantly.]

LTC: [In shock] Oh, wow! What a rush! I didn't know I could do that!

Bartman: Um, Lisa? Are you okay? What did you just do?

LTC: [Disdainfully] I don't know. [Maniacally] But I loved it!

Bartman: Ooooooooookkkkkkkkkkaaaaaayyyyyy, that was weird. Anyway, let's keep moving.

[All of them go into another room. A large gap is between them and the next door.]

Bartman: Blazer, would you do the honors?

Blazer: With pleasure.

[Blazer lights all of their feet again, propelling them upwards. As soon as they start to cross, a giant spike comes down.]

All: Ahhhh!

LTC: What happened?

Bartman: Hey, I've got an idea!

[Bartman throws rock across room. Giant Lasers and spikes emerge from wall, they shoot at it, then retract.]

Bartman: That was unpleasant.

Blazer: Now, for MY idea.

[Blazer snaps fingers, Fire appears under people's feet again.]

Blazer: Fly low.

[All start flying]

LTC: I still don't know how he does that!

[They get to other side]

Blazer: We are about midway through the fortress, and we're about to enter the guards' bedroom. They are all sleeping now, and it's the only way through, so we'll have to be very, very quiet.

Bartman: I never stopped to realize how cool this is. I mean, we're storming an enemy fortress with awesome weapons, and killing guards to boot!

[They all enter room, tiptoeing. LTC accidentally makes floorboard creak.]

Guard3:[Sits up] Did you hear something?

Guard4: Go back to sleep, dumbass!

Blazer: You've got to be more quiet!

Guard3: There it is again! [He looks at Bartman and rest] Intruders!

Guard4: What?! [Every guard gets up, each with shotguns, they all jump at Bartman and the rest]

Bartman and rest: D'oh!

Bartman: C'mon we can take em'!

Blazer: That's the spirit! ATTACK!

[Bartman and LTC both pull out ropes, then throw them at a pillar, wrapping around it. They swing with a kick, hitting many guards, meanwhile, Blazer is rapidly spinning and shooting fireballs everywhere. About 20 guards go around Maggeena.]

Guard: Aww, look at the cute baby!

[She starts to crawl around them]

Guard: Ain't that cute, Jed?

[Guards look down, discover that she has cut a hole in the floor with her lazer glove.]

Guard: Oh, Crap.

[They all fall through the floor, fight continues for a little longer, dust clears, and they show the fight is over.]

Bartman: That was some awesome fight!

LTC: At least they're gone now!

Blazer: Now let's go find Chameleon!

[Through the door to the next room, and there is a huge, winding staircase.]

Bartman: Do we have to climb THAT?

Blazer: Wait just a minute, [Blazer punches hole where stairway is, and reveals that it is cardboard, and there is an elevator behind it.] Going up?

Bartman: I knew it. Even a supervillan wouldn't want to climb all those stairs!

[They all climb into the elevator, and the door closes, and they go to the roof of the fortress. When they get to the top, the Chameleon is looking over the side.]

Chameleon: So glad you all could make it. I've been looking forward to this day...

Blazer: This ends now, Chameleon!

Chameleon: [Turns around] If by that you mean YOU will die, then yes, it will end now.

Blazer: RRRGGG! [Rushes toward Chameleon, getting ready to punch him, then chameleon disappears, Blazer rushes through him.]

Bartman, LTC: WHAT?!

Chameleon: [Reappears in same spot] Well, why did you think they called me chameleon?

LTC: We-We're not afraid of you!

Bartman: Yeah, you're gonna pay for what you did to Blazer!

Mageena: "Suck!"

LTC: He sure does, Mageena!

Chameleon: You little miscreants will be victims as well!

Blazer: Let's get him!

[2 flame propellers emerge from Blazer's cannons, spinning quickly. Bartman and LTC get the weapons that Blazer got them. And fight for a few minutes, then they all lunge at him, knocking him to the edge just barely hanging on.]

Chameleon: So this is it? I'm going to die?

Blazer: [Runs over to edge, reaches hand down] Chameleon! Grab my hand!

Chameleon: What are you doing? You want me dead!

Blazer: Just do it! Every life is valuable.

[Chameleon grabs Blazer's hand, and gets pulled up.]

Chameleon: Thank you for saving my life, Blazer. I'd Just like to say...
SUCKER! [Chameleon runs over to a large lazer cannon device, and aims for Bartman, LTC, and Mageena.]

LTC: AHHHHHH!!!

[Chameleon fires, but Blazer jumps in front of them like a shield, protecting them. After shot, Blazer falls over]

LTC: Blazer!

Bartman: Oh, Blazer, why did you do that?

Blazer: [Almost dead] Because that's what friends do, Bartman. Before I go, promise me one thing.

LTC: What?

Blazer: Kill the Chameleon.

Bartman: But you said every life was valuable!

Blazer: I thought there was some good in him, apparently, I was wrong.

Bartman: [Holding Blazer, Crying] Please, don't go...

Blazer: Sorry, I have to, but Bartman, Lisa, Mageena, you were all a huge help. Thank you... [Blazer finally dies Chameleon has fled now]

END OF CHAPTER 1

CHAPTER 2: WHAT SHOULD WE DO?

[Shows Bartman and rest sitting on top of a water tower, sad]

Bartman: Well, now what?

LTC: We have to find The Chameleon, and kill him!

Bartman: Are you insane?! Did you see the huge lazer that he had? If it killed a superhero, imagine what it would do to us!

LTC: I don't care! He gave his life for us, and now we have to do the same!

Bartman: I guess you're right. But how are we gonna get him?

LTC: I don't know, I just have a feeling that this time, we'll get him for sure! Are you with me?

Bartman: Yeah! Just one question!

LTC: What?

Bartman: How are we going to get off this water tower?

LTC: Uh-oh.

[Shows them at the next night]

Bartman: Okay, off to the fortress!

[Shows them swinging toward the fortress, finally reaching it after several swings]

LTC: What are you waiting for? Open the door!

Bartman: I'm not opening it! You open it!

LTC: Oh, fine.

[LTC opens the door, they all go inside, and through the rooms they previously went through. They are now at the guard room, they enter]

Guard: Hey, there they are! Get them!

[Bartman and LTC fire their guns insanely]

Bartman: Out of our way! We don't have time for you!

[They go through to the next room, and up the elevator]

LTC:[in elevator] you ready, Bart?

Bartman: Hell, yeah!

[They reach the top floor, the door opens]

CHAPTER THREE: SWEET REVENGE

LTC: Alright, Chameleon, show yourself!

Chameleon:[Appears out of nowhere] Bartman, Lisa, Mageena! Back so soon to try and kill me?

[Bartman and LTC fire their guns, chameleon turns invisible to dodge them.]

Chameleon: You still think you can beat me? Ha! How pitiful!

[Chameleon fires 2 lasers, each heading toward Bartman and LTC. They quickly jump out of the way.]

Chameleon: What a meaningless effort!

[Fires 2 more lasers, this time hitting Bartman and LTC, knocking them back.]

LTC: It's no use! We can't hit him! We're gonna die!

[Suddenly, several clouds group together, then an enormous pillar of fire come down from the sky, revealing a figure completely made of fire, in the shape of the Blazer]

Bartman: Blazer?! Is that you? But, I thought you died!

Blazer: I did die, but my spirit couldn't leave before defeating the chameleon.

Chameleon: What's going on?

[Blazer jumps high into the air, then dives down hard at the chameleon. Chameleon tries to fire lasers at him, but they just pass through.]

Blazer: Say goodbye, chameleon.

[Blazer rams into chameleon with great force, killing chameleon]

Blazer: We finally got him!

Bartman: Please don't leave, Blazer. Please.

Blazer: I'm sorry, but I have to. It was nice knowing you. Goodbye.

[A wind comes along and blows the Blazer away. As he is blown away, a piece of paper falls from where he was standing]

Narrator:[off-screen] Some people say that even though he defeated the Chameleon, his spirit still lives on, going from town to town fighting evil wherever it lurks. Some say he has done what he was meant to do, and is gone. I believe he is still among us fighting, fighting, fighting...

So, How did you like it? I hope you did! I will come out with more scripts soon, so be on the lookout!
