(Homer jumps up to Regis)

Homer:WooHoo!

(Homer sits in the contestant chair)

(Regis talks to the camera)

Regis:Well we have Homer Simpson from, ah, I cant seem to make out the name of the state. Anyway there is a family member in the audience, is Marge the name?

(Marge is Hyperventalantin in her seat, like in the episode "the Simpson-Files" when Marge "stole" the pen from the post office)

Marge:H-Hi Re-Reg-Regis Im gla-glad to be-be here.

Regis:O-K, well you know the rules so lets play Who Wants to be a Millionaire!

Homer:Mmm...I am going to guess Bannas.

Regis:Im sorry but...wait, it says here you got in right!?

Homer:D'oh,I mean WooHoo!

Homer:I love the food China Town so its got to be the capital!

Regis:Correct...I guess?

(What Regis nore did anybody know is that Homer accidentally broke all the comuters so any answer he gave was right)

Scene:5 minutes later

Regis:Well Homer is on a winning streak. He has not used a life-line yet and he looks very good because he is on the million dollar question!

Homer:Who's the Man!

Regis:Here we go, the last question-How many years has the logest running catoon lasted? Is it 5,8,9,or10?

Homer:For some odd reason I know this and the answer is 10.

Regis:Is that your Final Answer!
