OFF's DINING ROOM

Homer

Ah, Marge, Thanks for making my favourite dinner, Pork Chop!

Marge

I had no choice! You bought 70 dollars worth!

Homer-

Ah! It was worth it!

(We see that the freezer is overfilled with OUT OF DATE Pork chop. (1957))

Marge-

There's no more room in the Freezer for Lisa's Veggie Meals!

Homer. -

You don't Mind if your potato casserole is a LITTLE out of date?

Lisa Doesn't reply. She's gone green.

That Night.

OFF's Kitchen.

An out of date Pork Chop falls out of the fridge. It rolls to Snowball II's Dish. She eats it, and mutates into a horrible creature. A PORK CHOP WITH LEGS, AND A SLOBBERING MOUTH!

That Morning.

Homer-

Ooh! Pork Chops for breakfast!

Marge-

Homer, Where's the cat?

Lisa-

The Cat?

Bart. -

Do we even have a cat?

Homer-

I Remember A Chicken Sandwich

Lisa. -

What's our cat's name?

Marge-

Y'Know, I don't know!

Homer-

I do! No wait. Nope, It's a sandwich.

The Mutated Snowball II Closes her eyes, forcing little rays to come out of her head. The ray lands on a piece of toast. The one Lisa's eating. It bites her bottom lip. (The Toast!)

Lisa-

OW! Something Bit me!

Homer. -

Was it Bart?

Bart-

I Definitely didn't do it. For Once.

Lisa-

I don't see your KrustyO's biting YOU!

(The Mutated Snowball II Strikes Bart Spoonful of KrustyO's, this time, they leap out of his spoon, and walk around the table in a gormless manner.)

Bart-

Well, at least they're not biting me.

That Night.

The Zombie KrustyO's are in a cage. They're trying to break out. They succeed, and go into Maggie's Room.

Next Morning. OFF's Kitchen

The Simpson's all sit down for breakfast. ZOMBIE MAGGIE Crawls in.

Marge- Hmmm, What's wrong with Maggie? She looks a bit Green.

Bart- Cool!

Lisa- Bart! It's not cool!

Homer- You Better get her to Dr. Hibberts.

HOSPITAL

Dr. Hibbert- What we have here is a case of "Pinkeye".

Marge- I thought that was long-gone.

Homer. - Better not eat any Worchester Sauce!

Hibbert- Oh, did I say PINKEYE? Hmmm, Have you stocked up on, out of date Pork Chop?

Homer- Not to my Knowledge.

Marge- Yes. There is a whole Freezer load.

Hibbert- OH DEAR GOD!

Homer- What?

Hibbert- Medical Science cannot explain what has happened here. I'm afraid that young Maggie, is a little something I call, "The Living Impaired"

Marge- Oh No! Doctor, Is Maggie a Zombie?

Hibbert- Yes! He he he!

Homer. - What has this got to do with out of date Pork Chop?

Hibbert. - If this meat is more than 3 years out of date, it starts possessing Food. Making the food MUTATED! If the mutated food bites anyone, they turn into this fowl creature.

Homer- Well, The Mutant KrustyO's haven't bit anyone else.

Marge- OH NO! THE MUTATED TOAST! It Bit Lisa!

Homer- So?

Hibbert. - Did you listen to a word I said?

(Homer and Marge rush home)

OFF's House

Bart runs out.

Bart- MOM! DAD! Lisa's a zombie and is trying to KILL ME!

Homer- No-one likes a tell tale.

Marge- OH MY LORD!

Marge rushes into the Kitchen. Mutant turkey's, fish sticks, and pork chops walk gormlessly around the kitchen. Scary Music plays. Behind Marge, is Zombie Lisa!

Zombie Lisa- HELLO MOTHER.

Marge Screams.

Zombie Lisa walks in the same fashion as Zombie Maggie. They both go after Bart.

Bart- Cool! I've always wanted to become a Zom-

Lisa and Maggie eat Bart.

When Lisa and Maggie get up, their mouths are covered with blood. Behind them, Zombie Bart stands up.
